

Franschhoek Cellars

Franschhoek as one of the truly great wine & food destinations in South Africa. Franschhoek Vineyards Ltd was founded in 1945 by a group of local farmers to vinify their grapes on a co-operative basis. We are now operating as a private winery within the premium wine stable of DGB. Franschhoek Cellar now offers an outstanding value range of single variety wines, capturing the vibrant character & charm of our magnificent valley of wine.

Regional Information

Fruit is sourced from only the best vineyards and growers, from the best-suited regions for each variety to create distinctive fruit-driven wines. By selecting and sourcing grapes from the broad boundaries of the Cape winelands, we achieve consistent, high quality standards, vintage after vintage.

FCSBW1	Sauvignon Blanc	6 x 75cl
What is unique about Franschhoek is the high but good acidity, according to winemaker JD Rossouw. Expressive tropical aromas tinged with capsicum open up to attractive Cape gooseberry, grapefruit and pineapple fruit flavours balanced by a lively but gentle coated acidity that follows through to a beautifully fresh finish of pleasing length. A hint of Semillon adds breadth and fills the mid-palate.

FCCSRR1	Cabernet Sauvignon	6 x 75cl
Wine that symbolises longevity, like the legacy of the original Huguenot families which has endured long after they were buried in the town's original churchyard. Blackcurrants and violets captivate on entry, followed by concentrated dark berry flavours and spicy tobacco oak.
