

# Pistonhead Lager

Pistonhead brews are created by Brutal Brewing established in 2011. We are serious about our brews, but not serious about much else - our simple mission is to create great drinks. Pistonhead supports artists of all types. We love creativity and individuality.

**KUSTOM LAGER.** Pistonhead Kustom Lager is Kustom brewed with a double-clutch of Münchener and Pilsner malt injected with Spalter Select, Magnum and Perle hops that will leave a hint of bitterness on your lips, but never in your heart.

**Colour:** Medium Gold

**Aroma:** Malty fragrance with hints of syrup loaf

**Taste:** A very rich, malty flavour with a balanced and marked bitterness

**Hops:** Magnum, Spalter Select and Perle

**Malts:** Pilsner and Münchener

**Original gravity P:** 10,6 Residual sugar wt %: 2,0 %

**Colour EBC:** 10

**Hop Bitterness EBU:** 27

**FULL AMBER.** Brewed from an assortment of American Cascade, Citra and Centennial hops, the distinctive, fruity aroma of Full Amber is highlighted by a hint of grapefruit. This is balanced by Magnum and Perle German hops that produce a marked bitterness and contribute to a graceful, white solid foam head that puts the crowning touch on every glass that's poured.

**Colour:** Dark gold

**Aroma:** A healthy, strong floral hops aroma with clear hints of grapefruit and citrus

**Taste:** The fresh hop taste is well balanced by a full malt flavour and marked bitterness

**Hops:** Magnum, Perle, Cascade, Citra and Centennial

**Malts:** Pilsner, Dark Caramel, Crystal and Melanoidin

# Pistonhead Lager

**HAZE LAGER.** A beautifully pale yellow, unfiltered, crisp lager with wonderful tones of passion fruit and citrus courtesy of the Australian Galaxy aroma hops. The high alpha acid contents of everyone's favourite, Magnum, gives a well-balanced bitterness to the brew, which compliments the fine malt body and the great yeast character. Quite simply a lager with refreshing, fruity tones.

**Colour:** Unfiltered, pale yellow

**Aroma:** Citrus, exotic fruit

**Taste:** Slight maltiness with light tones of citrus and passion fruit

**Hops:** Magnum, Galaxy

**Malts:** Pilsner, Cara +10

**Original gravity P:** 12,2 Plato

**Residual sugar wt %:** 2,1%

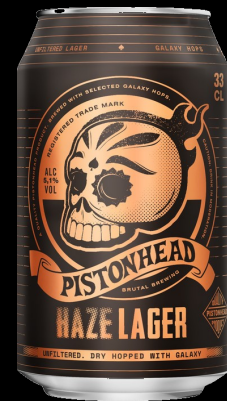

**Colour EBC:** 7

**Hop Bitterness EBU:** 27

**Flat Tire Non-Alcoholic** is created just like its alcoholic brother Pistonhead Flat Tire. Dry hopped with Mosaic hops using a Hop Gun to get the most aroma and flavour from the hops. The alcohol is then removed using a process called vacuum distillation where the beer is put under a vacuum. The change in atmospheric pressure allows us to boil the beer at a lower temperature (42degrees to be exact!) and distil off the alcohol. Then, and most importantly, the beer is dry hopped for a second time to give the great smelling and tasting non-alcoholic brew.

**Colour:** Straw-Yellow.

**Aroma:** A balanced hop floral aroma with hints of tropical fruit and citrus.
